About ACIFMA

ACIFMA was founded in Paris in 1955 as Association Cambiste Internationale – the leading, global association of wholesale financial market professionals, contributing to the market development through education & certification, market practices (The Model Code), technical advice and networking events. Members of ACIFMA are engaged in trading/sales in the global financial markets in Foreign Exchange, Interest Rate Products and other Securities, Banknotes & Bullions, Precious metals and Commodities and Derivatives. ACI Model Code is also accepted by CBSL as a governing document for local interbank market practitioners. The association counts over 9,000 international members from more than 60 countries.

The SLFA has put together an itinerary which facilitates professional development, appreciation of latest market trends, developments in current regulation, regional themes, market development and entertainment. The event is expected to be patronized by approximately 450 – 500 local and foreign participants (i.e. from 63 member countries), and would undoubtedly provide wide exposure and coverage to your esteemed establishment both locally and internationally.

In the context of the aforesaid, we request your kind patronage of the captioned event as an exhibitor as a **few number of exhibition booths are still available for prospective product and service providers to the financial markets**.
